## Inside the Classroom

Mason Creek Middle School offers many exciting opportunities every day inside the classroom. All students have access to advanced curriculum in the four academic areas of Math, Science, Language Arts, and Social Studies. Mason Creek teachers work to connect with students every day through relationships, relevance, and rigor. Mason Creek faculty and staff believe that relationships with students and parents are an essential key to a student’s academic, emotional, and social success. Teachers also believe that students must see the relevance of what they are learning, and they must be challenged each day through rigorous lessons, labs, and other activities.

Mason Creek operates on a six period day which allows students a 70 minute block for each academic class. Students take two 45-minute connections classes. Connections classes include Engineering, Business, Weight Training, French, Spanish, Art, Chorus, Band, and Physical Education.

**Rigor + Relevance + Relationships = Results**

## Our Mission

The mission of Mason Creek Middle School is to provide a 5 – star education to every student every day.

## Our Vision

The vision of Mason Creek Middle School is to be a high performing middle school where all students are engaged in active learning.

## Beyond the Classroom

Mason Creek Middle School prides itself on offering many extracurricular clubs and activities for students to expand and enrich their experiences outside of the classroom. We believe that students who participate in these opportunities are more successful in the classroom. Participation in extracurricular activities requires students to meet certain expectations in the classroom; therefore students are encouraged to succeed academically.

Mason Creek offers students the opportunity to join many different clubs and organizations, including Art, Drama, Gravity Games, Junior BETA, Yearbook, Marathon Runners, Lunch Bunch, Future Business Leaders of America (FBLA), and Fellowship of Christian Athletes (FCA). For a complete list of clubs and organizations, see the Mason Creek website.

In addition, Mason Creek offers a thriving athletic program. To participate, students must be academically eligible and have a current medical physical on file. There is a try out process for all teams. Athletic opportunities include Softball, Cheerleading, Football, Basketball, Soccer, and Track.
